

PROFESSIONAL PROFILE

Jorge has been in the financial services industry since the early 1990's. His focus is on developing strategies and solutions for individuals and their families meet their goal of homeownership, long term mortgage planning, or increased saving . Jorge takes a personal interest in protecting what his clients value most. He prides himself with helping them to recognize financial opportunities and pitfalls at every stage along the way.

Jorge's knowledge and problem solving approach to mortgage banking has ranked him within the top tier of mortgage professionals. He is committed to excellence and has won numerous awards of merit. First, he takes the time to listen to and review a client's financial situation, preferences and goals. Second, he offers recommendations for the best programs available to accurately reflect each client's individual needs and goals. And third, he is available days, evenings, and weekends. He follows up with discussions and personally handles all files from start to finish.

Jorge also participates in a wide variety of continuing training. He does this to make certain that he is fully aware of all current lending programs and parameters. This is the only way to guarantee that you will have a smooth transaction.

Jorge enjoys salt water fishing, do-it-yourself home projects, and family activities. He and his wife Denise have been together for over 10 years and have 4 children.
